So proud of you. Watching you grow up and become a young adult has been a journey I wouldn't trade for anything. With everything you do - from Boy Scouts to Taekwondo to helping out so much around the house - you have done way more than I did at your age. I look forward to the next phase of your life - early adulthood. Your life is just getting started and it's going to be a blast!

-Love Dad

With love from all of us! Congratulations!!
